### Anti Ragging Committee Report 2022-23

An Anti-Ragging committee has been established by Rashtriya Alpsankhyank Mahila Mahavidyalaya in an effort to curb the problem of ragging and preserve positive student relationships on campus. It is strictly prohibited to rag on college campuses, both inside and outdoors. The Anti-Ragging Committee has been actively operating for this purpose.

During the academic year 2022–2023, a prospectus was distributed to all college students informing them about anti-ragging policies. Nearly all students completed the form and turned it in to their class representative. That year, there were no minor incidents of ragging on campus.

Under this committee, a program on “Anti-Ragging: Law and Awareness” was compiled on July 30, 2022. Shoeb Khan's lawyer expressed his views on anti-violence laws and penalties. Saleem Khan is in charge of this program. Professor Zubair Qureshi also shares his views on anti-lag.

Thank you to the principal, class leaders, and honorable committee members.
